

Human rights and Blogs

Mohammed AlKabour

A Brief History Of Human Right Abuses

(With Special Consideration to Those Relevant to the Blogosphere)

- The Suppression of Thought : A Continuing Human Blight
- Elijah, Socrates, Ibn Rushd (Averroes), Oeser, Kareem Amer a long line of Dissenters and Sufferers
- The Alphabet, Printing Press, Radio, Television and the Internet- Mediums that at their onset transformed human perception and in turn received fierce opposition and vilification.

Help Us Help You

(The International NGO's Defending Human Rights and Their Methods)

- Amnesty International, Human Rights Watch, Reporters sans Frontières know your allies and how to use them.
- Grass root Support, The Importance of it and achieving it- Lessons from the Irish Model.
- The Methods: Letter Writing (Targeted Campaign and Audience Profiling); Media Campaigns- Press releases and “Leaks”
- The Best way to promote freedom of Speech :Practicing it - with a caveat...
